NAMES OF ANIMALS IN SPANISH

In today's blog, we bring you a new list, in this case, the names of 39 animals in Spanish, useful if you're visiting a zoo on a weekend or simply if you're interested in animals and want to keep increasing your Spanish vocabulary!

Many times in Spanish, you'll see we use Manada (Herd), Parvada (Flock), Colonia (Colony), or Enjambre (Swarm) for many animals. English has many complex names for groups of animals, and they aren't common knowledge, but Spanish is a bit easier to remember, as you'll see below.

So, here we go...
