3. Typical Scenario on the Job site

A typical scenario a Landscaper would encounter on a job-site. You can read through the conversation and imagine yourself learning and speaking the same. Let’s look at this example:

Scene: A landscaping team is working on a garden project.

Landscaper 1: ¡Hola, equipo! Hoy tenemos mucho trabajo por hacer. (Hello, team! We have a lot of work to do today.)

Landscaper 2: ¿Qué es lo primero en la lista? (What’s first on the list?)

Landscaper 3: Necesitamos plantar estas flores en el área de entrada. (We need to plant these flowers in the entrance area.)

Landscaper 1: Muy bien, comencemos. Trae las palas y las plantas. (Alright, let’s get started. Bring the shovels and the plants.)

Landscaper 4: ¿Es este el lugar adecuado para las flores? (Is this the right spot for the flowers?)

Landscaper 2: Sí, aquí es perfecto. (Yes, here is perfect.)

Landscaper 1: Recuerden usar los guantes y la protección auditiva. (Remember to wear gloves and ear protection.)

Landscaper 3: ¡Listo! (Ready!)

They begin planting the flowers, working together efficiently.

Landscaper 4: ¿Alguien tiene un destornillador? (Does anyone have a screwdriver?)

Landscaper 2: Aquí tienes uno. (Here's one.)

As they continue their work, the team communicates and collaborates to create a beautiful garden.

This typical scenario demonstrates how effective communication, using the vocabulary and phrases from our cheat sheet, helps a landscaping team work together smoothly and complete their project successfully.
